Release Notes for Zimbra™ Collaboration Suite ZCS 3.2 Beta Open Source Edition

Release Overview

ZCS 3.2 Beta is an early access release and is not designed for production use! Data loss or corruption may result when using this release. Please refer to the associated beta download documentation for further details.

Production Documentation

Zimbra documentation includes an Administrator's Guide, Quick Start Installation Guide for single server installations, Multi-Server Installation Guide, and a Zimbra Migration Wizard Guide to migrate accounts from Exchange to the Zimbra server. These are in PDF format. Online help is available on the administration console and on the Zimbra Web Client.

Bug Reporting

If you encounter problems with this software, go to www.zimbra.com/community and select **Bug and Enhancement Tracking** to submit a bug report. Make sure to provide enough detail so that the bug can be easily duplicated.
